Muntigunung Mountain Trekking

The villages of Muntigunung are located in the Northeast of Bali. This trekking is organized by a Swiss—Indonesian NGO (Future for Children), set up almost 20 years ago and focused on providing clean drinking water to this extremely dry region. The trekking allows you to see the untouched, beautiful nature of Bali and learn about the farming of cashew nuts, mango and rosella as well as the handicraft projects that currently provide work to women of the villages.

Itinerary Schedule:

| | |
|--|---|
| 5.00 AM - Pick-up from The Royal Purnama | 8.30 AM - 12.30 PM - Trekking downhill |
| 6.30 AM - Arrived at Batur Tengah to see the Sunrise | 1.00 PM - Lunch in a hotel on the coast |
| 7.45 AM - Picnic breakfast on the mountain. | 2 PM — 5.30 PM - Drive back to hotel |

Minimum 2 participants at IDR 1.550.000 net per guest

You support the Muntigunung project by consuming the cashew nuts and dried fruits provided in your villa.

For more information on the project go to: <https://zukunft-fuer-kinder.ch>

Sound Healing (Swara Usadha)

Sound Healing Therapy is a therapy for your mind, body, and soul, using seven Singing Bowl Chakras. It is known that everyone has seven active chakras in their body. By using the seven Tibetan singing bowls, the healer cleanses and balance your chakras. Each chakra corresponds to a specific singing bowl, and every singing bowl has a unique sound and meaning

IDR 900.000 net per person - 60 Minutes

Soul Blessing (Melukat)

Soul Blessing is a ritual created by a holy priest and holistic master from Bali. Alit, the Guru, is an inner power teacher. When someone has health issues, limited energy, and needs peace and happiness in their life, Soul Blessing offers purification for the body and mind. The process begins with a consultation with the teacher, discussing spirituality, healing, life problems, energy reading, and techniques for concentration, breath control, yoga, and meditation. The blessing continues with clearing the body and spirit of negative auras using prana or reiki energy treatment. This is combined with a ritual involving pure holy water, which includes young coconut water, seawater, river water, lemongrass, lotus petals, rose petals, and other flowers.

IDR 3.800.000 net per person - 120 Minutes

Terms and Conditions:

Reservations at least one day in advance are required

Cakra Balancing Healing

Chakra Healing is a holistic treatment using crystal healing, pendulums, Tibetan bowls, and a Balinese therapeutic massage, combined with inner energy and spiritual healing for the body, mind, and spirit. Ideal for addressing fatigue, tension, and aches, it rebalances and refreshes your entire being. The process begins with a consultation on spirituality and energy reading using a pendulum and Tibetan bowl. Next, a Balinese massage targets muscles, tendons, circulation, and vital energy. The session ends with prana or reiki energy treatment to clear negative auras, followed by a holy water shower and an initiation by the Guru to charge you with positive energy.

IDR 2.300.000 net per person - 90 Minutes

Reiki (Prana Usadha)

Reiki is a Japanese form of alternative medicine known as energy healing. It has gained popularity worldwide. In Bali, it has been used for traditional medicine for a long time and is referred to as "Usadha". Reiki practitioners employ a technique called palm healing or hands-on healing, through which universal energy is believed to be transferred from the practitioner's palms to the patient, aiming to promote emotional and physical healing.

Madu Muka Mudra (EFT)

Emotional Freedom Technique (EFT) is an alternative treatment for physical pain and emotional distress, also known as tapping or psychological acupressure. EFT focuses on meridian points, or energy hot spots, to restore balance to the body's energy system. By tapping with fingertips on these meridian points, it's believed that EFT can relieve symptoms caused by negative experiences or emotions.

Meridian points are considered areas through which the body's energy flows. By stimulating these pathways, EFT aims to balance energy flow and promote overall health. It helps reduce stress and negative emotions associated with various issues, ultimately restoring harmony to the disrupted energy system.

IDR 900.000 net per person - 90 Minutes

Hypnotherapy

Hypnotherapy is widely popular worldwide as a therapy focused on the mind. It uses guided relaxation and suggestion to help people work through problems and achieve their goals. Many individuals seek this therapy to address traumas from their lives, such as childhood trauma or relationship issues. Hypnotherapy aims to release these problems and help individuals feel liberated and free afterward.
