We offer a variety of menu packages to make your perfect day tasteful in every way. In fact, anything is possible in magical mystical Bali and, if required, you can employ the services of a 'Pawang Hujan' to perform a rain stopping ritual.

The Balinese Hindus believe that by means of certain rituals and spells, they can control the rain, which is why they are content enough to hold huge ceremonies in the middle of the rainy season. The Pawang Hujan will make sure the rain falls anywhere but at the location of the ceremony.

Begin your journey of togetherness at The Royal Purnama.
