Where The Earth Heals

A private wellness sanctuary at The Royal Purnama. Bali's first and only volcanic black sand therapy.

Welcome to BlackSand Spa

Welcome to BlackSand Spa, a private wellness sanctuary where the healing power of the earth meets the soothing rhythm of the sea. Rooted in the ancient elements of Bali, our signature Volcanic BlackSand Therapy invites you to reconnect with nature through warmth, grounding, and deep restoration. Here, the earth holds you, the ocean calms you, and every treatment is designed to bring your body and mind back into balance.
