Rain Stopper

IDR 2.500.000++

The Balinese have a tradition to stop, hold or divert the rain to other locations or to simply hold it for several hours. The aim is to secure a rain free spot where a function or activity is being held. Many important occasions in Bali and other parts of Indonesia were made rain-free by traditional means. To ensure the smooth running of a festival , a ritual of rain stopping will usually be performed.
